Pages: 59
Series:
Reviewer: Julianne
Heat Level: m/f/m menage scene with double penetration Rating:

Mallory Woodward is ready to act out her most secret sexual fantasies. What better place to do that than the sex club called The Kama Sutra Club? She's ready to let go of the good girl image.

Blake manages the Kama Sutra club and has seen and done everything. When newcomer Mallory walks in the door, he knows she's one woman he wants to have some fun with.

Mallory always thought her fantasy of two men at once made her a freak. When she applies for membership to the Kama Sutra Club, and is accepted, she's ready to experience it all. Blake likes women, just not relationships, and what better place to be a playboy than at the KS club? He doesn't expect to be drawn to the beautiful new member of the club and have these feelings for her. When he finds out her fantasy, he is more than willing to help it become a reality.

Breaking Free is a highly erotic and sensual read. Be prepared and have your fan and ice water ready. Mallory's secret fantasy is like most women's, and she has the desire to see it fulfilled. Blake is every woman's dream man, willing to see the fantasy become real. Karen Erickson does a fabulous job in building the story and the scenes between Mallory and Blake. They were so real and emotional. Now, if only the Kama Sutra Club were real, I'd be there in a heartbeat! I really enjoyed reading Breaking Free, and I hope you do, too.
